

HIPPO**PRO**★

ADVANCED PRO3 ADHESIVE SEALANT & FILLER

The Ultimate PRO

Incredible single tube solution. Non hazardous & solvent free.

Highly Compatible

Use with virtually any material inc natural stone. Will not corrode metal.

Extra Strong Adhesive

No need to pin. Hang heavier items.

Fast Skin Time

Touch dry from just 10 minutes.

20% Flexibility

New improved flexibility. Resistant to UV light & chemicals.

Very Low Pick-ability

Improved Shore A hardness - perfect for fixture & fittings security.

Effortless to Use

New improved viscosity and easier to extrude with low quality guns.

Dries Underwater

Work in the wet and damp conditions.

Passionate About Quality
